Leaflet No. GL-01 Page 1 How to Cope With Being Short Of ...

Rest your arms on the chair arms or on your thighs Make your wrists and hands go limp High side lying Lie on your side, with a few pillows under your head and shoulders Some people like to use a foam wedge instead A pillow between your waist and armpit can stop you sliding down the bed Make sure the top pillow supports your head and neck Your knees and hips should be slightly bent

HSE General access scaffolds and ladders

extensive high level painting, demolition work, or any work that cannot be comfortably reached from a ladder should usually be carried out from scaffolds or mobile access equipment Protecting the public Contact the appropriate highway authority before erecting a scaffold on a public highway Minimise the storage of materials and equipment on the scaffold Scaffolds should be designed to

FINAL COMMENDATION AND FAREWELL INVITATION TO PRAYER

Before we go our separate ways, let us take leave of our brother/sister May our farewell express our affection for him/her; may it ease our sadness and strengthen our hope One day we shall joyfully greet him/her again when the love of Christ, which conquers all things, destroys even death itself II Trusting in God, we have prayed together for N and now we come to the last farewell There

Coaching Tips 2 RECURVE BOW TUNING

specifications ad the suggestion is to allows go at If the bow has adjustable tiller/bow weight set the bow weight to mid location and set the tiller, making the top tiller about 1/8" (4mm) greater than the bottom tiller Attach nocking points to the string (top and bottom), ensure you can easily adjust the nocking points during the tuning process Initially set the nocking point about 1/8

TEST. Chord Electronics 2go

battery-powered HUGO 2 via Audioquests Sky to the Einstein preamp and the rest of the chain, and listen to a track fi rst from the SD card, then via WiFi from the Melco N1Z H60/2 If the signal comes directly from the mem- ory card, the HUGO 2 puts the listener in a slightly larger recording room, whose atmosphere is more intense, and spoils with an even minimally detailed playback This
